A messed up picture - Geosint 4 sur 4

Description: I remember when I was traveling, I was able to visit many unique places in nature. But here I messed up my picture and I took the landscape to the left of my target. Can you identify what I was trying to photograph ? The flag is **in english** in the following form ; in lowercase and with _ instead of spaces : RM{flag}
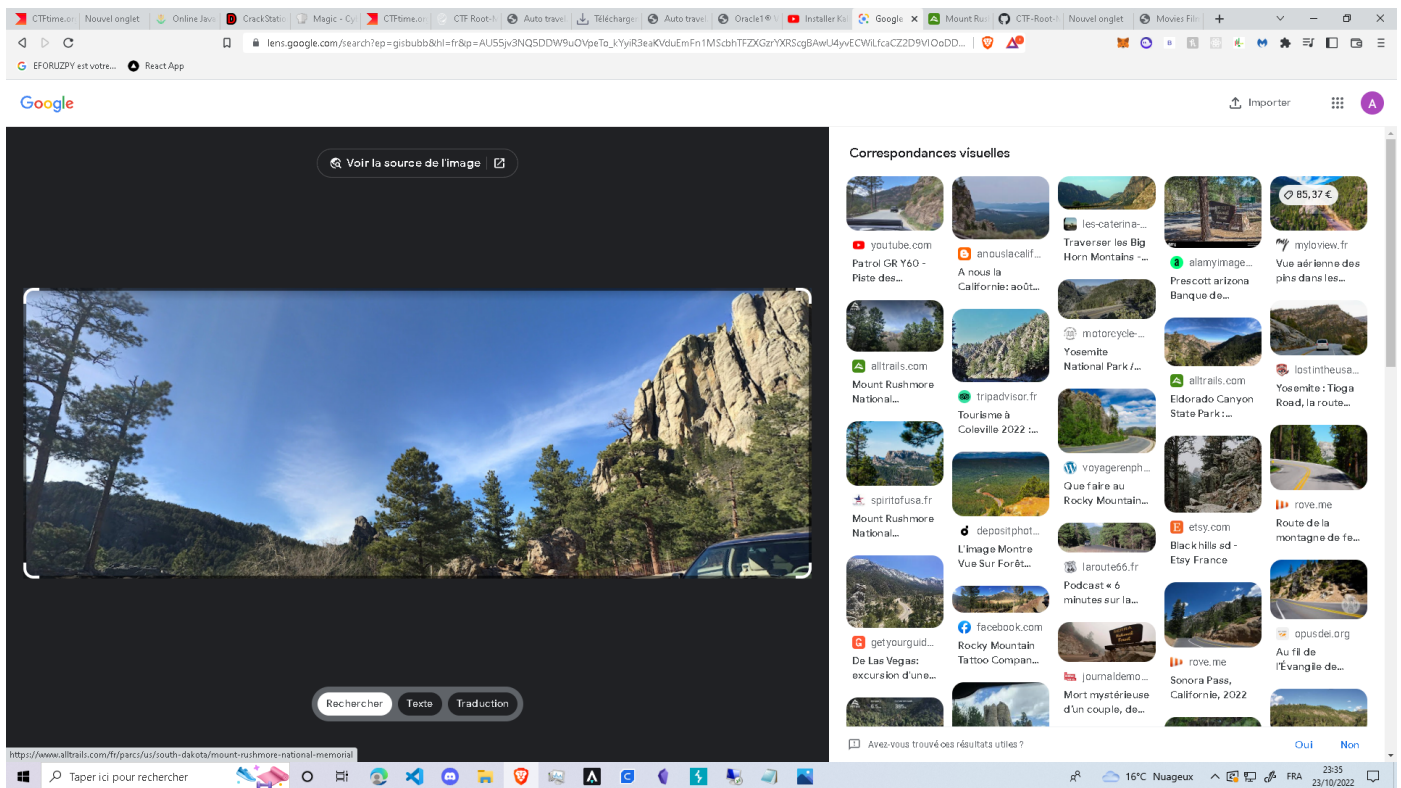

Type: Osint
Level: Hard

Voici le .png ssocié au challenge:

Un coup sur google Lens:

Et 1 nom en particulier attire mon attention,étant donné qu'il revient plusieurs fois:

le **Mont Rushmore**, on peut donc essyer le flag:
`RM{mount_rushmore}`, et le flag est accepté !

Le flag est: **RM{mount_rushmore}**
